King's Oak Primary School
Weekly Newsletter

Check out our website: www.kingsoakprimary.co.uk

Collection of Children from School:

Please remember to inform the office by 12noon if your child is being collected by someone other than yourself.

Reporting your child sick or absent from school:

Tel: 01234 220480 option 1

Please ensure that you leave a clear message with your child's full name, class/year group and reason for absence.

School Site

Please observe the speed limit of 5mph on site at all times.

Parking outside the school gates on zig-zag lines is **against the law** and dangerous, please keep these areas clear **at all times**.

Thank you.

PTA News

We are meeting up at 9.15am on Friday 22nd September 2017.

Help us to shape the future of the PTA, come along for a chat and see how you can get involved! If you have any suggestions please let Holly know.

Ali's Blog

What a fantastic week. We have had some amazing stunning starts to start our new term. Year 2 made a visit to Tesco and Year 6 went to West Stow Saxon village.

Thank you to everyone for their continued support whilst the building works are taking place, we hope these will be finished very soon.

Please ensure that your children are in school on time every day unless there is a genuine reason for absence.

Overall school attendance this week is **94.44%**.

Classes with highest attendance week beginning Monday 11th September 2017:

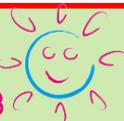

First: Butterfly Lions — 100%

Second: Little Rabbit Foo Foo—99.21%

Third: Aladdin—98.81%

DAWNUNTILDUSK

BEFORE, AFTER SCHOOL & HOLIDAY CLUB

We run a breakfast and after school club.

Please contact Tracey Braine (Manager) at traceybraine@kidsdawnuntildusk.co.uk or by

telephoning 07913 352570 for further information.

Bikes / Scooters

Please can parents/carers make sure these are locked up in the appropriate bike sheds. Any unchained bikes/scooters will be removed to inside the school gates.

Thank you.

School Meals

Cost **£2.25** unless your child is on free school meals.

Please make cheques payable to **Bedford Borough Council**.

Year 2—Gruffalos Blog—This week in Gruffalo's we found out what our new topic is 'yum yum'! We will be learning all about food. We went round each classroom and investigated what can be made from: rice, potatoes, wheat and milk. We even got to taste some foods!

We then went on our first school trip. We walked to Tesco to have a look behind the scenes. We had a look in their warehouse at where they keep all the food. We then experienced the fish and cheese counter! We got to taste different cheese and watched a fish get prepared for eating.

Then we went into the bakery and saw how they cooked, baked and prepared the bread. Finally, we went to the fruit aisle and found the colours of the rainbow. We even got to taste candy floss grapes. We are very excited to continue to learn all about food!

Year 3—Peter Pan Blog

It was a very exciting start to the week in Peter Pan, we had our stunning start and discovered a den in our forest school area! We explored the den and found rusty tin cans, a tyre, a smelly jumper and a fire. Some of us thought the lost boys may be living there from Peter Pan. The rest of the day we took part in lots of outdoor activities including making our own den, making journey sticks, mobiles and clay monsters. We are now going to try and find out who is in the den and why!

Year 1 Stunning Start—where did the parcel come from?

On Monday the Year 1 pupils arrived into school with a letter attached to a parcel. They had to find the clues, crack the code and find an egg inside. We are now writing to see if anyone can tell us anymore information about where the eggs have come from. If anyone has anymore information please let the Year 1 team know.

A parcel was left in our class. We don't know who left it. We couldn't open our parcel but we had a letter and a clue. We had to find the clues to crack the code. We had to make a real word with the letters that we found. The parcel opened and inside was a beautiful, big, oval, yellow egg with red spots all over. Little Red Hens

Can you help? On Monday morning, a strange box appeared in our classroom and it had a letter attached to it. We had to search for clues and crack the code and we discovered it was an egg! Do you know how the egg got here? Do you know who it belongs to? Can you help us investigate what is inside the egg? If you know anything, please contact Gingerbread Class. Thank you, from Gingerbread Class.

In Rainbow Fish class this morning there appeared an egg. The egg is an oval shape and is green with red spots. Please if you know anything about our egg can you let us know. Thank you. Rainbow Fish.

Dear Mr Ouef, a parcel arrived in our classroom today with an egg in it. The egg is orange with pink spots. We are not too sure what is inside the egg. Please can you tell us what's inside? We think inside the egg there could be; snake, baby chick, baby crocodile, dinosaur and an alligator. From Wild Things.

Year 4 Stunning Start - Flight to Italy

On Monday the Year 4 pupils arrived at school and designed their own passports. They were provided with boarding passes and then flew to Italy, experiencing all the excitement of an airport. In the afternoon they took part in a variety of Italian themed activities and are now looking forward to learning all about Italy in their up-coming topic.

Nursery News

We are currently reviewing the possibility of providing 30 hours free childcare per week to eligible working parents via the Government voucher scheme. Before we go ahead with this we need to know how many people would take us up on the offer. If you work and are interested in 30 hours childcare in our Nursery please call into the school office or contact us on 01234 220480 to let us know.
