

King's Oak Primary School

Year 2 Curriculum Profile

Spring Term 2018

Dear Parents/Carers,

We have some exciting experiences planned this term as part of our Creative Curriculum topic - 'Incredible Journey' including a scooter day and a visit from a racing car. We also have a great trip planned to the British Motor Museum.

In the pages that follow you will find an overview of the curriculum areas and objectives that your child will be covering. We know that parents/carers are the most important people in children's lives, so as the term goes on we will be inviting you to come into the year group and work in partnership with your child or view his/her work.

We ask that you read with your child daily and support him/her with homework.

PE is on Thursdays. However, please ensure that PE kit and water bottles are in school **everyday**, as other PE sessions may be scheduled as and when needed.

Please contact class teachers via the school office or write a note if you have any

queries, requests or news to share. A member of staff will then get back to you as soon as possible.

Thank you for your continued support,

The Year 2 Team

Mrs Young , Miss Brown, Miss Gadsden and Mrs Kaur

HOMEWORK

A great opportunity for you to become involved in your child's learning.

Day given:

Subject:

Day due in:

Friday

Maths or English

Wednesday

Daily

Reading

Homework will be based on the learning that we will have been doing in class during the week.

Reading

Please continue to listen to your child read **daily**. Whilst reading, ask them questions about the story/text, to ensure they have understood. Then sign or write a short comment in their Reading Record.

We also visit the school library every Wednesday where all children have the chance to choose a new book for the week.

MATHS

Number and Place Value

Addition, Subtraction

Multiplication and Division

Measurement

Fractions

Shape

Position and Direction

Statistics

ENGLISH
