

King's Oak Primary School

Year 6 Curriculum Profile

Spring Term

Dear Parents/Carers,

In the pages that follow, you will find an overview of the curriculum areas and objectives that your child will be covering this term.

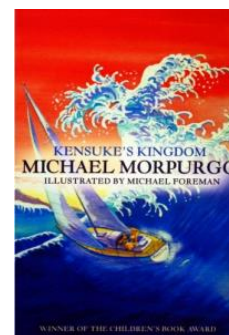

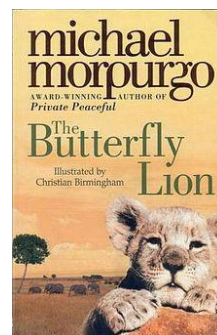

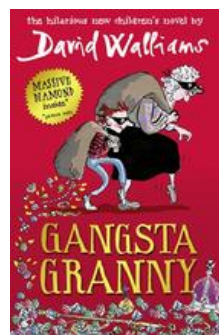

Our new topic is Mission: Survival – based on the book of the same name by Bear Grylls. We will be learning all about the wildlife of Amazon rainforest, the geography and history of South America and the threats the people and animals of the rainforest face.

We ask that you read with your child daily and support them with their homework. All children will be heard read weekly in school. PE is every Wednesday and children may come to school in their PE kits but must bring their uniform to change into.

If you have any queries, requests or news to share please contact class teachers via the school office or write a note. A member of staff will then get back to you as soon as possible.

Thank you for your continued support,

The Year 6 Team

HOMWORK

Children will receive weekly spellings, maths homework and English homework as well as creative.

Reading

Please continue to listen to your child read **daily**. Whilst reading, ask them questions about the story/text, to ensure they have understood. Then sign or write a short comment in their Reading Record.

Maths
