Tuesday 6th February 2018

Dear Parents and carers

Year 2 - Bike It – Scootability course

We have an exciting opportunity to offer our Year 2 children. Sustrans is a charity who are trying to encourage more children to bike, scoot and walk to school. As part of this, they are putting on some fun and exciting courses for our children during the school day.

They will be running a Scootability course at school on either Tuesday 20th or Wednesday 21st February depending on class sizes. Children will be learning how to ride a scooter safely whilst having fun!

You will **not** need to bring a scooter into school as the company will be providing them. However, children will need comfortable footwear to take part.

Please return the slip below indicating whether you are happy for your child to take part in the Scootability course.

Many Thanks

N Fitch
