

Easter Egg Competition

We wanted to say a massive thank you for all of the fantastic competition entries - the children had clearly put lots of effort in and it was really hard choosing a top 3 from each year group. Below are the winning entries from each year group:

Year 2 Class Blog - Gruffalos

What an exciting last few weeks we have had in Gruffalos! Last week we went to the British Motor Museum where we saw lots of different cars, from old cars to new cars,

three wheeled cars to famous cars, fast cars to tiny cars. We were even allowed to sit in a really old car. On Wednesday this week, we had our fabulous finish! We brought our scooters into school for the whole day. We measured how far we all could travel with just one push. We completed obstacle courses where we had to weave in and out of cones and discussed how to be safe on our scooters. This has been a fantastic experience and we have thoroughly enjoyed having our scooters in school and being able to ride with our friends.

Year 5 Class Blog - Lion, Witch & Wardrobe

The Lion, the Witch and the Wardrobe have had a great week. We finished our topic for this term, Walk like an Egyptian which we have thoroughly enjoyed!

We made our own Technicolour Dreamcoat's like Joseph and wore them to our fabulous finish on Monday. We showed each other our wonderful designs when we showcased them in the afternoon.

In the morning, we made a yummy Egyptian salad, Egyptian collars and learnt some Egyptian dance moves...it was a great day! We are all looking forward to the Easter holidays and wish everyone a great rest!

Sport Relief

King's Oak took part in raising money for Sport Relief on Friday 23rd March. Children came into school in their sports kit ready for lots of sport! During the day, the children took part in 2 minutes of exercise every hour! For Golden Time the children got to choose different sports and activities in their Key Stage. Some sports that took place were tag rugby, dodgeball, benchball, kick rounders, tennis and many more! The children had a great day and as a school we managed to raise **£473.02** for Sport Relief! Thank you to all who donated!!

Year 3 and 4 Times Tables Coffee Morning

It was lovely to welcome so many of you into school yesterday morning. The children were very excited to show off their skills and have you join in with their learning. We hope you were able to see how we strive to teach the pupils times tables skills in a fun and engaging way. All children in year 3 and year 4 will be bringing home a pack of times tables games to play at home. Should you like any further ideas as to how you can support your children at home with their times tables, maths or any other aspects of their learning, then please speak with their class
