In Wild Things class this week we have been continuing to learn about features of the seaside. Some of these features we saw on our

trip to Hunstanton last week. In English this week we have been looking at a wordless book called Flotsam, inferring and writing questions about what we want to know/find out. After half term we are looking forward to learning about sea creatures.

different jobs. We are all so going to be Starting swimming on Fridays. Maths is really interesting at the moment as we are making our own board games, and we get to enjoy each others games. And finally we are starting to put together our leavers assembly. We will be sad to leave but look forward to year 7.

News from BFG Class
