

Reception Class Blog - Elmers

Elmers have had a great start to the last half-term in Reception. On Monday we read a story about a creature called a Bog baby, and we went for a walk around our school grounds and discovered our very own Bog baby. As a way of extending our learning for our current topic, the children were asked to make models of bugs for their homework. We had a great response and the models were very creative, some are pictured here. The class are also looking forward to coming to school in mufti on Friday as a reward for our 100% attendance. Well done Elmers!

Year 3 Class Blog - Winnie The Pooh

Winnie the Pooh arrived at school to find that their classroom had been attacked by someone or something. There were parts of peoples bodies lying on the tables and it looked as if there was a feast taking place. We soon found out that it was Grendel, the monster from the Anglo Saxon story 'Beowulf.' We have been reading parts of the story and now know that Grendel is an evil monster who hates noise. We have been practising our artistic skills and have sketched different interpretations of Grendel and then we used water colours or pastels to add colour. Here is some of our work.

Family Support News - Coffee Morning

Catering News

Back in February and March this year, there was a tendering process for our catering provision. The contract has been won by Relish. Further information to follow.

Children sent home unwell

If your child is sent home from school with sickness or diarrhoea, they need to be kept off for 48 hours from the last episode. If they return to school the next day, parents/carers will be contacted and asked to come and collect them.

If you are unsure, please contact the office. Thank you.
