

Year 4 Curriculum Profile

Autumn Term 2018

Dear Parents/Carers,

We have some exciting experiences planned this term as part of our Creative Curriculum topic - 'An Italian Adventure'. We also have a stimulating trip planned to the Verulamium in St. Albans to visit the museum and to see the Roman ruins.

In the pages that follow you will find an overview of the curriculum areas and objectives that your child will be covering. We know that parents/carers are the most important people in children's lives, so your involvement with homework, daily reading and spelling is greatly appreciated and invaluable to your child's progress.

PE is on a Tuesday. However, please ensure that PE kits are in school **everyday**, as other PE sessions may be scheduled as and when needed. It is **important** that all children bring in a water bottle every day to ensure they are fully hydrated. This can even be a disposable plastic bottle that we can name and reuse.

Please contact class teachers via the school office or write a note if you have any queries, requests or news to share. A member of staff will then get back to you as soon as possible.

Thank you for your continued support,

The Year 4 Team

Mrs Capon, Miss Short, Mrs Townsend, Mr Syrett

HOMEWORK

A great opportunity for you to become involved in your child's learning.

Day given:	Subject:	Day due in:
Friday	Maths or English and Topic	Wednesday
Daily	Reading	

Spellings will be sent home to learn every week.

Activity based on Creative curriculum – 1 per half term.

Homework will be based on the learning that we will have been doing in class during the week.

Reading

Please continue to listen to your child read **daily**. Whilst reading, ask them questions about the story/text, to ensure they have understood. Then sign or write a short comment in their Reading Record. Children receive raffle tickets on a Friday if they have read five times during that week. This means they will be entered into a prize draw at the end of the half term. The children are very excited about this and we therefore encourage your support.

Thank you!
